# Accessibility Plan

September 15 – July 18

## Heath View Academy Accessibility Plan

Under the Equality Act 2010 schools should have an Accessibility Plan. The Equality Act 2010 replaced all existing equality legislation, including the Disability Discrimination Act. The effect of the law is the same as in the past, meaning that “schools cannot unlawfully discriminate against pupils because of sex, race, disability, religion or belief and sexual orientation”. According to the Equality Act 2010 a person has a disability if:

- (a) He or she has a physical or mental impairment, and
- (b) The impairment has a substantial and long-term adverse effect on his or her ability to carry out normal day-to-day activities.

The Accessibility Plan is listed as a statutory document of the Department for Education’s guidance on statutory policies for schools. The Plan must be reviewed every three years and approved by the Governing Body. The review process can be delegated to a committee of the Governing Body, an individual or the Head. At Heath View Academy we are committed to working together to provide an inspirational and exciting learning environment where all children can develop an enthusiasm for life-long learning. We believe that children should feel happy, safe and valued so that they gain a respectful, caring attitude towards each other and the environment both locally and globally.

- 1) The Heath View Accessibility Plan has been developed and drawn up based upon information supplied on the SEND register, information from outside agencies and after a premises evaluation by the SENCo and WCAT lead SENCo and members of the SLT team. The document will be used to advise other school planning documents and policies and will be reported upon annually in respect of progress and outcomes. The intention is to provide a projected plan for a three-year period ahead of the next review date.
- 2) The Accessibility Plan is structured to complement and support the academy’s Equality Objectives, and will similarly be published on the school website.
- 3) Heath View Academy is committed to providing an environment that enables full curriculum access that values and includes all pupils, staff, parents and visitors regardless of their education, physical, sensory, social, spiritual, emotional and cultural needs. We are committed to taking positive action in the spirit of the Equality Act 2010 with regard to disability and to developing a culture of inclusion, support and awareness within the school. 4

The Accessibility Plan contains relevant and timely actions to:-  
Heath View Academy Accessibility

- Increase access to the curriculum for pupils with a disability, expanding the curriculum as necessary to ensure that pupils with a disability are as, equally, prepared for life as are the able-bodied pupils; (If a school fails to do this they are in breach of their duties under the Equalities Act 2010); this covers teaching and learning and the wider curriculum of the school such as participation in after-school clubs, leisure and cultural activities or schools visits – it also covers the provision of specialist or auxiliary aids and equipment, which may assist these pupils in accessing the curriculum within a reasonable timeframe;
- Improve and maintain access to the physical environment of the school, adding specialist facilities as necessary – this covers improvements to the physical environment of the school and physical aids to access education within a reasonable timeframe;
- Improve the delivery of written information to pupils, staff, parents and visitors with disabilities; examples might include hand-outs, timetables, textbooks and information about the school and school events; the information should be made available in various preferred formats within a reasonable timeframe.

4) The Heath View Academy Accessibility Plan relates to the key aspects of physical environment, curriculum and written information.

5) Whole school training will recognize the need to continue raising awareness for staff and governors on equality issues with reference to the Equality Act 2010.

6) The Accessibility Plan will be published on the school website.

7) The Accessibility Plan will be monitored through the Governing Body.

8) The academy will work in partnership with the Local Authority in developing and implementing this Accessibility Plan.

9) The Accessibility Plan may be monitored by Ofsted during inspection processes in relation to Schedule 10 of the Equality Act 2010.
