

2nd February 2018

Dear Parents and Carers,

We are extremely happy that our new sponsor has been confirmed as Outwood Grange Academies Trust, who we have been working with since the Autumn Term. We are now looking forward to becoming part of the new Trust and will be letting you know dates for the parent meeting in the near future.

This week has been another happy and busy week with lots of interesting learning opportunities. Mrs Earnshaw's class took part in Benchball with Year 3 pupils from two of the other local primaries, over at City Academy and our Year 2 children have been very busy making bird boxes.

Increasing progress in reading, is one of our key priorities this year and we need the children to bring their reading books and bags back to school every day, whether or not they have read, or been listened to, at home. Without doubt, children make better progress when they practise their reading at home but it makes it difficult to check on their progress if their book is not at school.

Please can we remind you that our policy is that if children wear ear-rings, these should be a small stud as we have seen some larger, more ornamental ear-rings which could pose a hazard if they got caught when children are taking part in PE or playing games in the playground. In the interests of health and safety, small studs only please!

Make sure you let us know your thoughts about the academy name change!

Yours sincerely

Mrs A Million
