12th January 2018

Dear Parents and Carers,

Welcome back to the start of the Spring Term; it has been a short but very busy week for the children – they have worked hard and behaved beautifully.

A group of Y6 pupils have been at Robinwood Activity Centre on their residential, this week. They have had great fun taking part in lots of different activities including climbing, caving, zip line, giant swing...and the piranha pool! I am sure they will have a lot to talk about when they have rested over the weekend.

There have been a few cases of head lice, so please check your child's hair daily and remember that regular combing is one of the best ways of dealing with the problem.

It has been reported that some parents have been bringing their dogs into the school grounds. As you will know, we have a policy of no dogs on site so please do not bring your dogs with you to collect or drop off your children.

There are lots of exciting visits and activities planned over this half term, including Year Two's Arctic Day next Friday and Reception Inspire Days on Monday and Tuesday so please support your child with good attendance so that they do not miss out on anything.

As part of Year 6 RE work about consequences next term, Mrs Malone has asked if anyone has any board games that are surplus to requirements after Christmas, please could you donate them for this work? They are looking for games such as Ludo, Snakes and Ladders, Frustration etc., and any donations will be gratefully appreciated.

Every child brought home a letter yesterday, informing parents that our preferred Trust has not yet been confirmed. We are still assured and confident that Outwood Grange Academies Trust will be our confirmed Trust in the not too distant future and we continue to work with them on school improvement.

Yours sincerely
Mrs A Million
