Dear Parents and Carers,

Thank you to all the parents who came into school for the Nursery 'Birthday Party' yesterday, as part of their topic about Celebrations. Everyone had a great time and this was one of the best attended events they have had! Thank you again for your support.

This week, Year 4 have been to the Hepworth Gallery and as part of that visit, they took part in a clay-modelling workshop. Year 1 children visited Magna to learn more about Materials. Everyone enjoyed learning outside the classroom.

There have been several complaints and concerns from parents about the car situation after school. Please leave your cars at home if you live within walking distance as unnecessary, and sometimes dangerous, parking is causing a danger to the children, the neighbours and other road users. Complaints should be directed to the council and/or the Police. It will only be a matter of time before Penalty Notices are handed out on the spot so please take action now. If you live on the estate and you are physically able, you should walk!

Some of the teachers and lunchtime staff have noticed that the contents of lunchboxes do not reflect the healthy choices that we all should be encouraging. Please do not send chocolate bars such as Galaxy, Dairy Milk or other sweets. Miss Siddall and Miss Wilson will be working on what a healthy packed lunch should contain, so watch out for more information coming soon!

Please speak to Mrs Dawson if you think your child might be eligible for free school meals. We have four different options every day so there should be something that everyone will enjoy!

Yours sincerely
Mrs A Million
