26th January 2018

Dear Parents and Carers,

A polite request

Now the children are settled in year 1 and 2 our next aim is to develop their independence. To do this, from Monday we are asking parents to let children to come into the classroom by themselves in the morning and follow the routines to begin their day, for example, hanging up their coats and choosing their lunch. This will greatly help their transition into their next class and also give the teacher the opportunity to work with children from the start of the morning.

If you have any thing you would like to speak to the teacher about then just let the teacher know in the morning or at the end of the school day. We will also put a copy of the school dinner menu on the window if you would like to discuss the choices with your child before they come in to school.

We appreciate your continued support in this matter.

Yours sincerely

Mrs L Corbett
