10th November 2017

Dear Parents and Carers,

Another busy week at Heath View Academy, with lots of exciting events planned for the weeks running up to Christmas!

Look at some of the amazing art work our pupils and teachers have created during Art in Nature day on Thursday. The wonderful creations will be displayed at our **Art Exhibition** on the 27th & 28th November, where parents will have the opportunity to purchase framed examples of their children's work. Further details to follow next week.

The NSPCC were in school on Thursday to continue the workshops with Year 5 and 6, they commented on how well behaved, knowledgeable and sensible our children were. They said we had wonderful children, we are very proud and hope you are too!

Thank you to everyone who has bought a poppy from school to raise money and awareness of this very important charity, in remembrance of servicemen and women who have given their lives or been injured in past or present times.

A reminder that dogs must not be brought on to school grounds, whether carried or walking, in accordance with school policy. Thank you for your support in this matter.

St Swithuns Community Centre staff are joining us for assembly on Monday to share the events and services available in local community. Make sure you look out for the flier that your child brings home and I hope you will join in with the planned events and support the community.

It is **Children in Need** on Friday 17th November, we will be asking children to donate £1 to come to school in either their pyjamas or non-uniform to raise money for this fantastic charity.

Yours sincerely
Mrs A Million
