

17th November 2017

Dear Parents and Carers,

Thank you to everyone for supporting Children in Need by sending your children in either pyjamas or non-uniform. Today we have raised £440 and everyone enjoyed wearing the bedtime clothes – especially the teachers.

This week our Year 1 classes have enjoyed learning about toys from the past during workshops with Wakefield Museums Service. The children had the opportunity to handle artefacts and learned a great deal about how toys have changed over time.

Our Year 3 pupils have enjoyed making 'Stone Age Stew' as part of their topic work, learning about the Stone Age!

Please can we remind parents that whilst good attendance is very important, it is vital that if your child has vomiting or diarrhea that they must be kept at home for 48 hours after the last episode. At this time of year there are lots of bugs about and children tend to catch things more easily, especially if children who still have the illness are in school. If your child has any vomiting or diarrhea, you must not send them to school until they have been clear for 48 hours, and to do so would be irresponsible and put vulnerable children at risk.

The children have produced lots of high quality art work for the Exhibition at the end of the month and it has now been sent away to be framed. We are looking forward to receiving the framed work and hope you will join us on 27th or the morning of 28th November to view all the children's hard work!

Next Friday, 24th November, is a teacher training day and the school will be closed to children. Please note that dinner money for next week will be £8.20.

Yours sincerely
Mrs A Million
