Dear Parents and Carers,

You will be aware that the academy is due to join a new multi academy trust, following the announcement of Wakefield City Academies Trust that they no longer wish to sponsor schools. We were delighted that it was announced this week that our new sponsor will be Outwood Grange Academies Trust. The academy's staff have already started working closely with OGAT to drive rapid improvement in the school.

As part of the move to OGAT we have the opportunity to reconsider the name of and the academy and, after discussions with the School Council the decision has been taken to move to entirely new name. The School Council have considered various options taking account of the history, locality and pupil suggestions. Their final proposal is to rename the academy Outwood Primary Academy Park Hill.

We will welcome any feedback from staff, governors and parents/carers on the proposed name. Please drop in any feedback in writing to the academy office by no later than Friday 9th February 2018. I would like to thank you again for your continued support on our journey.

Yours sincerely

Mrs A Million
