29th September 2017

Dear Parents and Carers,

Thank you to everyone for their generosity in either baking cakes or to our coffee morning today.

The non-uniform for Macmillan has raised £129.85 and the Coffee morning and Raffle raised £315.30 so in total we have raised a massive £445.15 for this excellent charity. Thank you once again for your support and generosity.

We have been alerted to the fact that one of the neighbours narrowly missed running over a nursery child as he reversed out of his drive during the week. The child was running ahead of the parent, the driver could not see the child and luckily there was not a serious accident. Nursery staff are very concerned about the safety of the children when they are running away from parents both in and outside the school grounds and ask that you are extra vigilant near traffic.

Parking outside the main gate at 3.00pm is continuing to cause problems with parents and neighbours as well as raising concerns about the safety of children and families crossing the road. We will ask once again, that if you live on the estate, that you walk rather than drive. This is healthier for you and the children, it is cheaper and causes fewer problems. When the police have received enough complaints, they will come out to assess the situation and will almost certainly issue fixed penalties, so take action now – walk!

Year 2 enjoyed a street party (in the playground) on Tuesday, as part of their topic work about what life was like when the Queen came to the throne in 1953. The weather was amazing and everyone had a wonderful time.

Attendance is currently causing great concern in the Academy. There have been a number of cases of tummy bugs but we still are seeing people taking holidays in term time. The expectation is that your child will have at least 97% attendance by the end of the year. We have fabulous incentives to encourage good attendance with end of the year prizes and termly rewards such as Commando Joe's assault course so please ensure that your child is in school every single day they can be! Mrs Fielding and the Education Welfare Officer will be making home visits to find out why children are not in school so let's work together to improve attendance!

Yours sincerely

Mrs A Million
