5<sup>th</sup> September 2017

Dear Parents and Carers,

Welcome back to school for the start of the Autumn Term. Thank you for making sure that your children look so smart in their new uniform and black school shoes. Please write your child's name and initials in jumpers and cardigans so that we can match them back to the right child if they are separated.

Year 3 children need to pay for school dinners unless you are entitled to free school meals. Please see Mrs Dawson in the office for a form if you think your child may be entitled to free meals.

The Ofsted report from our recent inspection is now available for parents and a copy has been sent to each family. Whilst the Academy is judged to be requiring improvement, the inspectors recognised the progress and improvements made since converting to become an Academy. These include the vision and impact of the leadership team, the good judgement for our Early Years provision, the behaviour of pupils and superb work of the teaching assistants.

The inspectors found that safeguarding is good and the pupils are happy in the well-ordered and positive school environment. The leadership team, staff and the Trust are committed to making further improvements to our school and we value your continued support on our journey to excellence.

Yours sincerely

Mrs A Million
